

FIND THE YETIS!

Tiny yetis have made their way to historic downtown Kent, and we need your help to track them down.

Complete and submit this passport for a chance to win **prizes from local businesses.**

HOW TO PLAY

Search participating local businesses to find the yetis.

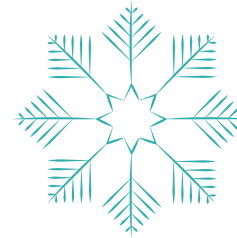

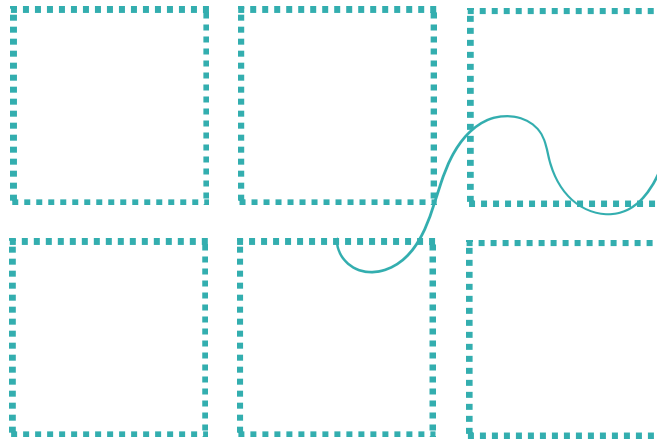

Once you find a yeti, let an employee know and they'll stamp your passport. You get one stamp per yeti you find, but some locations have more than one yeti!

Once you've filled your passport, use the QR code below to submit it and enter to win mystery prizes. One entry/passport per person. Full rules on website.
